“ Ken will always be BeeBee to me and those who knew him from Our Lady Queen of Heaven days back in the 50s. He was a great friend, a fine athlete, and a good man. Our lives are entwined with many others through life, and though our lives lead us in separate directions, indelible memories remain. My condolences to Bebe's family in this sad time. “ Dear Brother - I have wonderful memories of our childhood that will
stay with me forever. You were the cool big brother with all your cool
friends. Life was certainly interesting with you around. You got
married and we moved to California. You gave me two nephews
that grew up to be incredible men. They both have beautiful
families. You must be very proud of them. Goodbye, dear Brother,
you will be missed.###imported-begin##Linda Russell###imported-
