“ Kevin was a kind and thoughtful person. He loved being around family and friends when ever possible especially around the holidays. He was good about keeping in touch with everyone to see how they were doing and letting you know what was new with him. He will be sadly missed but not forgotten. Rest in peace my friend.

Kevin was a dear, kind, thoughtful, and considerate friend of mine and my significant other, David, for over 30 years. I could always count on him to hang out, and visit no matter what. Showing up sometimes unexpectedly but always welcomed. He will be greatly missed.
