“ To Debbie, Anthony and Michael, We are so sorry to hear about Kevin. We can't begin to imagine what all of you are going through. Please know that Kurt and myself have been praying for all of you and you are all in our thoughts. Our only regret is that we never got the pleasure of meeting him. We love you and again so very sorry for his passing.

“ Debbie, Tony and Michael, You are in our thoughts and prayers. May God help guide you through your pain and sorrow---there has been too much for you. Kevin was 11 when we became neighbors. As he was quite a free spirit, we got to know Kevin quickly. He was a pleasure to be around, happy with his big smile! He enjoyed playing with the younger neighborhood kids and they loved Kevin. We have the fondest memories of your son and brother. Rest in peace Kevin. With love and deep sorrow, Henry, Denise & family

“ *I am so sorry for your loss. I knew Kevin years back when I lived on Lakewood with my parents Roberta & Bernie Goll. He was our paperboy & I paid him to pick up after my dog for awhile. I remember he played with my nephew Nicholas & niece Mickell. May only happy memories get you through the days ahead! May knowing he is out of pain give you peace. You are blessed with the pain from the love of your son, brother, nephew, friend! God Bless*

“ Debbie, Michael, and Tony, I can't imagine the pain you all must feel I'm so sorry for your loss my heart is breaking I have so many childhood memories with all of you but what I remember about Kevin the most was swimming and playing Marco Polo in your pool. Kevin could always put a smile on my face even when all you boys made fun of my braids and although it's foggy exactly who said they looked like glasses on my head(which embarrassed the crap out of me) I remember Kevin's huge smile and Goofy laugh the most, it was impossible to be mad at him. Rest in peace my friend. You will be missed and remembered with so much love
