“ I am so sorry for your loss of a great person that left us all too soon. I went to high school with Kevin, played on the sane football team, and went to his house dor Cub Scout Deb meetings. Kevin was always a kind, thoughtful person who was liked bu so many. He will be greatly missed.

“ Hey big brother. We are older now. Gone are those resplendent teen years. Gratiot cruising is just a memory. Our life became a series of bill payments, birthday parties and recliner naps. But for the rest of my life, I will always think of you like these pics. Adventurous youths trying desperately to stay out of trouble while still having a great time. Miss you already!! Love your little sister.. Krissy ❤️

“ They are allowing 10 people at a time to rotate in and out. If you're able, please join us in remembering him on August 8th, from 10:30-2pm. In lieu of flowers, we are making a small memorial garden in his honor and if you'd like to contribute a plant it would be appreciated.
