“ Please accept this post as an expression of my deepest sympathies. Having experience someone close to me die at an early age helps me to empathize with the grief you are feeling. What has brought me comfort and hope is found in God's Word the Bible. The bible speaks of a time when our "enemy" death will no longer bring us pain (Isaiah 25:8). I'm also awaiting the time when Jesus will use the authority give him by God to resurrect those sleeping in death (john 5:28,29). To see my loved ones again here on earth is a hope that I hold dear to my heart and I wanted to share it with you.##imported-begin##Mrs. Butts##imported-end##
