“ I am so very sorry to hear about the loss of the family matriarch. While I did not know Kikue personally, I know she was a wonderful person as evident by her son and my friend Tim. I only wish I had heard earlier so I could have paid my respects in person however, please know that my thoughts, prayers and condolences are with the entire family during this difficult time. God Speed.

“ I dont know what to say. Everytime I start writing something other thoughts keep flooding my mind. I'm so sorry for your loss Larry. I worked with you for a little while and occasionally I'd run into you and Kiko wherever and she was always so nice and always made time to talk. You and Kiko reminded me alot of my Parents, that is the way you showed how you loved one another. And Tim, Cindy, and Gary, your Mom was a wonderful person. Im so sorry. I know the pain you feel. It will get better and I'm sure your Mom will always be with you. Thoughts and prayers are with all of you.

Mr. Ludwig, I have many childhood memories that include you! Thank you for your kind and heartfelt words that ring true for so many people that knew my mom. I will be sure to pass your message along to my dad as he doesn't own a computer. :) I will show him your post on my smart phone. I know it will mean a lot to him. He enjoys sharing memories of my mom. Especially with those who have known her for a very long time. Thank you and take good care of yourself.

*Love,
Cindy*

“ To our family: Aunt Kuk made/makes me want to be a better person. Never had a bad word to say about anyone. Was always there to make things better. Never asking for anything in return. She will be missed. She will be remembered. Uncle Larry, Garry, Cindy and Timmy, your family stands behind you and will be here for you! Love you. J-
