“ To my dear Uncle Kim,
I have great memories of you growing up. Your presence in my life helped shape the person I am today and I'm thankful for this. We were only 15 years apart in age, but I looked at you as a model for attitude in life. Always witty, fun loving and always seeking out to find the best in everyone. From Sunday's at Grandma & Grandpa's house singing around the piano to your gas station days, corvettes, days with Uniroyal, the day aunt Regina came into our lives, etc. its been a good ride.

The funniest moment I recall is when you and dad bought a boat together from the Cobo Hall Boat Show and the fiasco of events which followed. We christened the ship and launched her for the first time, only to discover plugs were required before slipping her into the water. It was a lesson we never forgot and I still tell that story. Eventually it was stolen right out of the Mount Clemens house, trailer, keys and all. We joked and agreed it was an serendipitous moment and we were thankful for insurance.

The many stories. Your legacy goes on from generation to generation. Your initials KRC (Kim Richard Couls) has been passed down and holds a place in my families legacy.

KRC - Keith Richard Couls

KRC - Kristopher Richard Couls

KRC - Kelsey Renee Couls

Sue unfortunately is the 5 wheel in the scenario but her vote counted.

Into eternal life you go. God's speed and open arms welcome you along with the spirits of Grandma & Grandpa Couls, Grandma & Grandpa Bright, Aunt Honey, Margret, Aunt Ann, my dad, your brother Jon , my brother Jeff, Jeff's daughter Saralyn and rest that have gone before you.

Peace be with you. Your memory will endure and we will always keep you close. This is a temporary goodbye as we will be together

again for eternity. I look forward to seeing you.

Love you. From your favorite nephew, Keith.

I neglected to mention Sherrill's husband John who has traveled home. You and he can share stories about cars and gas stations. Two peas in a pod.

Historical correction on the stolen boat crime caper. The factual location scene of the crime was right under the nose of Grandpa Couls..at the St Clair Shores home from the driveway. Oy vey!
