“ I was so shocked to hear of Kim’s passing. Of the times that I saw her she always had such a beautiful smile and laughed often. She visited my husband Bill who had surgery in St. John’s Hospital where she worked almost every day. She was such a special, caring and kind person. My heart goes out to the family whom I’ve known 50+ years and love so much. She will truly be missed by her family, friends, etc. Carolyn Richardson

Kim was alot of fun growing up on Roan St. She had a very out going personality and just love to laugh and make others laugh around her. There isn't a person from our neighborhood who knew Kim that won't be sad to her of her passing. God bless your transition now kim.
