“ I was looking through old e-mails and found some from Kim. I went in search to see if I could locate her and found her obituary. I regret that I had not stayed in contact with Kim when I moved to Florida. I still have the Christian CD's she made and sent to me. My sympathy goes out to her family, and I know I will see her again one day. May God Bless

“ I met Kim at the building across from Troy Beaumont in the Lab. Then the next time I saw her was as I was coming out of the infusion center on the second floor of that building and she gave me her card and I called her a few days later and we had lunch and I got to know her as a Christian friend and attended her bible study group in 2014, I will miss her so much as I tried to have lunch with her in the years after that, I have prayed for her ever since I heard she was on more medication and some of it worked and some didn't. I know that her family was always on her mind when we were together and she talked about her boys all the time. Rest in peace my friend. Family: Just remember the good times you had with her before she left this world. I will do the same. Love to all. Karen Gabe Baumgartner

“ Marilyn and I had the pleasure of working with Kim at General Dynamics many years ago. She was always a ray of sunshine, quietly joyful and considerate, a pleasure to be around. She will be truly missed! Prayers for Greg and her family.

“ Greg, Adam and Nick - you were Kim's joy and her thoughts were centered around you men and she loved you as well as Nicholas Jr., and April. I am so sorry for this great loss and pray for peace, comfort, strength and faith during this time and always. I will cherish the times I had with Kim and sharing scriptures with her. I remember when Kim, Mary Ann and I went to lunch a few times many years ago and Kim would be in the middle of a conversation then all of a sudden, stop, think about what she was going to say, then totally switch the subject. At first, it was a little unnerving, but Kim was being convicted by God to not say the wrong thing which was truly a lesson for us to follow in the same path. Kim was the epitome of a disciple! Kim's emails and text messages always brightened my day because she always found humor in every situation and comfort in knowing God. I know Kim is in the presence of Jesus right now!

“ Go forth, Christian soul, from this world  
in the name of God the almighty Father,  
who created you,  
in the name of Jesus Christ, Son of the living God,  
who suffered for you,  
in the name of the Holy Spirit,  
who was poured out upon you,  
go forth, faithful Christian.  
May you live in peace this day,  
may your home be with God in Zion. Hospicio and Barbara Juan
