“ I worked with Kim at Textron Automotive's Rochester Hills Sequencing facility for several years during the 90's, until the place closed in 2000.  
She was a natural born leader, and very good at her job. She was serious about her job, yet funny and kind at the same time. She was promoted to Quality Liaison at the Chrysler Plant we supplied, and was awesome there. Lost touch when our plant closed, and saw this just now Sept '23. Rest in Peace my friend, I'll remember you always.

“ I hadn't seen Kim for at least 30- 33 years--probably since high school--we were neighbors while growing up--really wanted to come and pay my respects, but it wasn't possible--May she rest in Peace-

“ Jeremy, Gerald and Bryan we are so sorry for your loss. To lose a close family member in death can be emotionally devastating. Soon God will "swallow up death forever." There is also a wonderful hope for all those in the memorial tombs.- Isaiah 25:8, Acts 24:15###imported-begin##CP and family##imported-end##
