“ Oh my dearest sister, words can't describe how much you meant to me and everyone around you. The love and joy that you gave during your short time with us is a treasure that will never be forgotten. The void that was left in your place will be filled with memories old, and new ones with my wonderful niece and nephew that you gave us. May God light your way, Jesus guide you, and the love of all for whom you are now with comfort and cradle you until we are all reunited in His house. I love you, miss you and we see you again later little sister.....Love, Your Big Brother Jeff. Peace be with you##imported-begin##Jeffrey Kuhfeldt##imported-end##

“ Kim has been a friend of the family for over 20 years and her loss fills the hearts of all of us. None of us know exactly why, but we do know God has a plan and brought Kim home early. Someday we will be back together, but until then rest assured those that loved Kim will miss her dearly. To her family and children: I wish there was a way to ease your pain, but if it gives you any comfort at all to know Kim was loved, you need to look no further than my sister's eyes to know just how much. God bless.###imported-begin###Chuck Schalm###imported-end###

“ My deepest sympathy goes out to Kim’s family especially precious Sara and Devin. I pray that the Lord wraps his loving arms around each of you, holds your precious hearts together and comforts you during this time and on in to the future. I especially pray for you both, Sarah and Devin, that the Lord blesses you both and that he comforts you throughout your lives. Your mother loved you so very much! My heart aches for each of you. It seems like my words do not give justice in explaining that Kim was a very loving, giving and wonderful person! She did so much for many and she was so full of energy and had so much love inside her that poured out of her: through her hard work, passion for others, kindness, gifts and her time she gave to others. She asked for nothing in return. She deserved to be loved and adored and I do believe those that truly knew her did love and adore her. We will all miss her deeply, as hard as it is I believe we should find joy that the Lord who loves her most of all has called her home so that he may take care of her and love her as she deserves.##imported-begin##Laura##imported-end##
