“ *Kirk was one of the good guys. He never had a bad word to say about anyone. I got to know Kirk in high-school. We wrestled and played football together. I loved high-school but wasn't really into the academic side of it. Kirk was instrumental in helping me with that part. Without him I probably wouldn't have graduated. We saw each other once in awhile through the years until I met my soul mate and love of my life Kelly. Wouldn't you know it, she was first cousins with Kirk. How did I never know this? I had known Kelly just as long? I became close with Kirk, Connie, his wonderful kids and their whole family. They are now my family and I love them dearly. My love for them will never change and I hope to be part of their lives as long as I live. You will truly be missed Kirk. My friend. My cousin.*

“ I was deeply saddened to hear about the passing of Kirk Karges. Please accept my heartfelt condolences during this incredibly difficult time.

Although my time working with him at American Express was short, he left a lasting impact on me. He was not only an exceptional leader but also a truly kind and compassionate person who genuinely cared about the people around him. I feel grateful to have had the opportunity to learn from him, both professionally and personally.

Please know that his kindness, guidance, and positive spirit will always be remembered by those of us who had the privilege of working with him. My thoughts and prayers are with his family during this difficult time.
