“ I'll always remember Kristina's bright big smile, infectious laugh, and some witty remark or smart retort. She was always helpful. She kept a pitcher of something to drink and food in the fridge whenever I would come over to spend the night with Amanda. I remember the 4th of July fireworks show. I remember dancing at Amanda & Andy's wedding and the "fight" over the bouquet toss. Kristina was well loved and will be missed!!! We are so sorry for your loss. We cover you in prayer and surround you with love, Jamie Pepin (Burkhardt) and family

“ Where do I start to honor my "niece" Kristina? My memories starting with your birth and all of the times we were together when you kids were young have come flooding in and smiles comes across my face. From playing in the rain, birthday parties, Halloween parties, playing dress up, and perhaps our all time favorite, the infamous picture of you, Amanda and Katie and your funny faces as you were bathing and getting ready for a party. Kristina Jamie, I love you and always will love you so very much! While not a "blood" aunt, I will always be so proud to be your Aunt Lisa. And as soon as life allows me, I will hug your mama, daddy, grandma and your sister with all my being. And please know I'm hugging you in my heart. Heaven has a most beautiful angel and until we meet again, please know how much you will be missed by so many. Kim, Mike, Amanda, Ma Bridgeman, Andrew, Lillian, Ethan, Donald and family, Kevin and family, my prayers are lifting you all up in prayer and will continue. Love you all.
