“ I did not know Kristine, but this tragedy has broken my heart. I am so sorry for your loss and I am sending prayers to your family. I have 3 daughters the same age and it kills me to know that they will never see their mother again. Especially during this time in their lives when they are going to need her the most. Sending many thoughts and prayers to your family. There are many people in the community that are feeling the same way. Lots of love out there .....
