“ Mrs kania. Will always be remembered by her students staff and parents as always having a kind word to say and her words of encouragement always came from her ❤️. She gave me wonderful advice when i was undecided about running for the Fitzgerald board of education. That i always kept the kids in mind when doing anything for the parent group at westview that i as long as i was running for the kids i was doing the right thing. I will remember her fondly

“ Laraine was a special friend and neighbor. She loved to keep me company as I played outside with my grandchildren. Always got our mail and watered our flowers when we were away for a few days. I loved just talking with her on the porch or having a cup of tea at the kitchen table. I will miss her so very much. Alice

“ *Laraine was a true Lady. I'm Southern, and we don't use that word lightly. A Lady is kind and gracious and generous with a spine of iron. Laraine was all of that and much, much more. I met Laraine through the Utica Library where she came first as a patron, then a volunteer, and became a friend--to all the staff. I am thankful and honored to have known her. She will be sorely missed.*

Laraine was and will always be my mentor, my role model, and my continuing inspiration to be the very best person I can be. She believed in my passion for teaching, hired me, and was my go to person for many many years. Laraine was wise, warm hearted and loved, loved, loved all of her students ! I'm sure she is reading to a group of children in Heaven right now. Love you, dear friend.
