“ *One of the best. Will always remember the great times, and laughter we shared on the Cal's Lounge team. And also the many hours we spent in numerous taverns replaying those games, and solving the rest of the world's problems. Our condolences to the family.*

“ *I worked with Larry Bain at Campbell-Ewald a zillion years ago. (I'm thinking this IS that Larry.) He was a great guy with a quick sense of humor who did me one solid favor that I'll never forget! It involved "the fan club". Thanks, AGAIN, my friend! And I wish your family only wonderful memories.- DL, Chicago, IL -*

“The God (Jehovah) of all comfort can give us the strength needed to endure the pain that comes from the death of your loved one Larry. The bible describes death as an enemy. Our grand creator plans to undo the tragic effects of death at John 5:28-29. Isaiah 41:10 & 13 tells us to grasp the right hand of God never let him go. He will get you up when you feel you can't.
