“ We still remember Larry helping us pack our U-Haul truck when we moved back to Phoenix. We have wonderful memories of both Larry and Carol. They are two of the most wonderful people we have been privileged to know. We send our love and prayers, Roy & Judy Curry

“ My brother, Larry, was a kind and gentle spirit. Even when he was going through yet another medical crisis, he had a joke and a smile. He loved sports and even though he could not hear or see, he always wanted to know who make the playoffs and if the Tigers won. He was a good brother who always wanted to say something funny. He was a good dancer and it was very enjoyable to watch him when he participated in the sign language interpreted musical performances because he had great rhythm.

His wife, Carolyn, was a blessing to him as she cared for him 100 percent of the time. For that we are very grateful

We loved him dearly. Our prayers are with Larry and his family.

*Love,
Pat and Bob*

“ Carol and family.....

I am so sorry for your loss. Larry was someone very special in my heart. I will always remember our long chats. He was a "trooper" with everything he had going on. He will be truly missed.

My heart and prayers are with you.
