“ It is hard to beleive that Larry is no longer with us on this earth. He will always be with us in our hearts and the wonderful memories that we have. Larry was always smiling and happy. He always was willing to listen and offer his wisdom to everyone. We had some crazy fun times together and we will always smile when we think of him. You are in our prayers and may it bring you peace that he is with God.##imported-begin##Scott & Jill Wright ##imported-end##

“ To the family of Larry Hoste:

I had the good fortune to have Larry as my toboggan and ski trainer as a young candidate with the Schuss Mountain Ski Patrol. Larry took special charge of my training and I owe him more than I could ever express in making me a better patroller - having to try to chase him down the hills or getting a sled down the hill to his satisfaction. After he was hurt, I tried to train other patrollers as I thought he would have. There are so many of us that benefited from his skill and knowledge. I will miss him greatly.##imported-begin##Ann-Mary Petroskey##imported-end##

“ Your dad was always such a happy man! As new neighbors, we met your dad over a backyard bonfire with the Spinas and have many fond memories of competitive euchre games, bbqs and fun conversations. Larry's spirit lives on in each of you.##imported-begin##Wendy & Curtis Myers##imported-end##

“ Dear family members so to hear of the loss of a loving father and friend. It's never easy to say good-bye to someone we loved so dearly. But, rest assured the holy writings give us comfort at Revelation 21:3,4 it speaks about how our heavenly father will "wipe every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." If you would welcome more encouraging information go to www.watchtower.org##imported-begin##Nikki Thomas##imported-end##
