“ My dear friend, we worked together for many years out at Selfridge. All the stories you would tell kept us in stitches for hours. I am so sorry that I am only now hearing of your passing. Until we meet again, oh and I sent a special note to dad asking him to be your sponsor to show you around. Two SGM, not sure they are ready for the both of you! Rest easy my friend Peter Purol Sterling Heights

“ Uncle Larry, we love you and miss you! I can remember when I was very little spending time with family and you were always a smart, funny, and respectful uncle. I can remember my family traveling across the states to see you and the family while you were stationed in Pennsylvania. Our hearts are broken. You will always be in my memories and pray for Mary Ann, Kenny, and Brian. Love, Your niece, Darlene and Family

“ Larry you will be missed. The family chain is broken now and nothing seems the same. But as god takes us one by one, the chain will link together again. God please give strength to Mary Ann, Kenny, and Brian so that they are able to carry on. We will keep you in our heart and prayers. Love, Margie and Bill
