made me laugh - never without a joke to share and even after we

“ I have so many wonderful memories of Uncle Larry. I was the reason that he and my beautiful Aunt Sharon met. (-: It was in Orangeville at a festival. Their dates when she had to babysit me were so much fun...for me! (-: All of his fast cars and Sharon making wonderful, from scratch, cinnamon rolls for him! I loved you so much Larry!!! With tears and pain from afar...I will always love you!##imported-begin##Jackie Boomer##imported-end##

“ My heart goes out to your family. I hold many memories of my Uncle Larry who in age was closer to a brother to me when I was little--- probably always considered me a pest though!!! Larry grew to marry the love of his life and to be a loving father to their children. His passing will leave a hole in hearts that I pray can be healed by warm memories. A man of great intelligence, dry wit, and ability to cope with life as it comes I will be missing him with you.
