“ I met the Davis brothers many years ago through the Southeastern Michigan Bird Dog Club. Larry and Tommy were truly a team together training and trialing dogs. Larry always had time to talk or give advice about dogs or work. He always had a friendly smile or a story to tell. He was very proud of his son's and daughter. He would talk about them endlessly. I will truly miss him. He was a very good friend.##imported-begin##David Kalinowski##imported-end##

“ Larry will be greatly missed by many. He touch the hearts of dog lovers. His legacy will live on through the many dogs that he has provided to others. They will look into their dogs eyes and think of Larry. Jim Clary will especially miss Larry as they were partners when it came to blending pedigrees and coming up with the strongest bloodlines to create the best dogs in the country. I send wishes of peace to the entire Davis family. We are all blessed to have known him.##imported-begin##Charlene##imported-end##

“ To the Davis Family; I have only known Larry for a couple of years,in that short time, we became very good friends. He was my mentor in the NSTRA field trial game, his advise, wisdom, and competeve nature, got me so excited I could not wait to go to trials with him and compete. He was a good friend and advisor to my three sons, Eric, Mark and Ryan, they thought the world of Larry, we have 3 of his dogs, I have one of his favorites Joannie. His passion for his hobby was second to his passion for you guys, he wanted so bad to bring Larry Jr. to our place to spend a day with me and my sons hunting birds and enjoying the dogs and each other. One of the best weekends I have ever spent was with Larry, Bob Owens and my son Eric when we went to Kentucky to pick up His Tommy dog, and 2 of mine, we (Bob,Eric, and I) never stopped laughing the whole time, Larry was at his best that weekend! Larry will be missed by our family, he touched our lives in a special way. His legacy will be carried on with the passion he instilled in each of us. Our prayers are with each of you. He loved you all very much. God Bless.##imported-begin##John Griffiths##imported-end##

“ I will carry with me many wonderful memories of my Uncle Larry. We all will. He was that kind of guy. I can remember everything he told me as a kid. Whatever he told me would either have wit or wisdom. I remember him visiting us in California when he was in the Navy. He would drive up in his little green MG. Or when he made the long journey with us when we moved to Arkansas. Or the time I picked him up in Missouri when his van broke down. Me, Mom, Larry, Kathy, Matt, Larry Jr., and Andrea all went out and ate at Lambert's in Sikeston that night and I introduced him to "thrown rolls". He loved catching those rolls. I remember his wonderful laugh when I made the remark "That Dog Don't Hunt!" Larry told me one day that my Mom (Mary Sue Davis) would always be sister Sue to him. When Mom learned of the news, she requested a prayer be said for Larry and his family. All I know is that my heart goes out to Kathy, Larry Jr., and Andrea. God Bless you Larry and Matt. Another piece of my life has gone.##imported-begin##Ronny L. Davis##imported-end##

“ Mrs. Davis,
I am very sorry and sad to about Larry passing. I feel very much like I did when my father passed as Larry always had fatherly advice for us young guys. He was full of wisdom and never had a cross word to say about anyone. He taught me much about my second love, bird dogs. I will miss him and I wish you and your family well.

Take Care,

“ I am truly sorry that we have lost Larry. To Larry's family, although I do not know you I do share your grief and pray for you in your time of loss. I have not seen him in years but have very valued and vivid memories of squirrel or 'coon hunting with Larry as a kid. Larry had two big ole hunting dogs; Kurt and Smut as I recall that would know by which gun you had which game to pursue. I hope that Larry has some good dogs and some good hunting in the hereafter. God Bless Ya'all.##imported-begin##Chris Callahan##imported-end##

“ To The Davis family:

I met Larry about 11 years ago when i went out to your house to pick up my pride and joy pup. i was only a 22 year old kid back then. Since that time, i've shared some of the funniest moments of my life with Larry and some of the saddest as well. He was always so kind hearted. I learned a long time ago, if i just listed to him, Larry was a man full of wisdom. I'm gonna miss the phone conversations and the dog training sessions for sure, but most of all, i'm going to miss Larry's personality. God bless you all!! I know Larry loved you all dearly, and as for me, i hope i get the opportunity to see him in heaven.

“ To the Davis Family,
We are very sorry to hear of Larry's passing and send our condolences. Although we cannot attend Larry's funeral service, he is in our hearts and prayers as are all of you. The few times that we talked and kidded with Larry were always a great fun time. I always thought Larry was a good, fun jovial man. We will miss him.

I know that it was your time and god called you home and i'm trying not to be selfish by missing you too much! I know your happy now with your Matt-Matt and Sandy Marie! I will always remember you as the wonderful man you are! I was your "lil Cutie" and all those other nick names you call me in your cute southern accent! I love you so much and will never forget you. “ We are so sorry and shocked to hear of the passing of Larry. Kathy, know that we are there anytime for you if you need any thing. I know that this is a double whammy to you and the kids, but know that time is for self healing. He is with Matthew now, looking down on you and the kids. Just open your heart for forgiveness and it will gradually get better for you. We went through that with my brother-in-law and my sister has finally moved on with the help of friends and family. God Bless you and yours at this time of grief. Love to you always. Denise & Tony Farmer###imported-begin##Denise & Tony Farmer###imported-end##

“ We had the priveledge of meeting Larry thru the Southeast Michigan Bird Dog Club. We met both Larry and Tom, way back when...they both had horses at the time. My husband's father, who is now deceased, really liked Larry & Tom because of the Arkansas connection and horses. We knew Larry to be a fine man that would give you the shirt off his back if he could...and he is surely going to be missed by all.###imported-begin###Will & Kathi Langley###imported-end###
