“ *Laura and I became best friends in 1968 and continued our friendship throughout the years. She was like a sister to me. Laura had the gift of being able to always look at the bright side of things and to share that with others. I will miss her positive take on life and her special ability to bring light where there had been darkness. I will miss her deeply, but I will always carry my memories of her with me. I am thankful that Laura was in my life.*

Most of all, I remember that beautiful Laura smile, accompanied by that Laura voice and Laura gestures that touched everyone lucky enough to have known her. Laura had a caring heart that expressed itself in everything she said and did for me during the 48 years I was graced to have known her. She also taught me that some people are in our hearts forever. I will miss Laura very much.

*Love,
Clorinda*

“ I have very fond memories of Laura from my childhood. She was the first woman I knew who golfed and I thought that was so cool :) I also loved playing games with her in Port Sanilac at the farm - especially Yahtzee! She had a contagious laugh and was always so fun to be around. I know that her family and friends will miss her dearly - peace to all of you during this very difficult time. God Bless you all! Love, Laura Durkin
