“ Sharing my sympathies with all those that knew and loved Laure during this most difficult time. Laura was one heck of a lady; full of love, compassion, empathy, humor, and fire-she would go to battle w/out hesitation for those she cared about. She was a fighter and a lover of life and will be greatly missed. I feel lucky having worked with her and for having the honor of calling her a friend. Laura will most certainly be missed by many and I will cherish our laughter and conversations. Rest easy my friend; rest easy

“ Laura was such a sweetheart. My husband often ran into her on Fridays when she was job coaching at Tenuta's Market. She was always interested to hear what he was creating for dinner that night. Even if it was hot dogs for the grill, she knew he planned a unique twist on it, and she shared his love of different recipes.

“ Aunt Laura was such an amazing lady. We have so many great memories of her. I can still hear her laugh. When I see her picture here I can't help but smile. She fought so hard and didn't deserve that battle. She will be sorely missed and remembered forever.

My condolences to Laura's family. Laura was my son's job coach for close to 2 years. They became very close during that time. Laura spoke of her family often in the few minutes each day before and after my son's work day. We were fortunate to have known her.

“ Working with Laura was a blessing. She was so caring and such a great advocate for our individuals as she went “above and beyond.” She taught me so much and I know that her caring helped so many, with her individuals and when she gave us many long talks and words of wisdom which helped all her staff to to better serve. She will truly be missed. Rest in Peace Laura and my condolences to all that loved her!
