“ Michele, David and Family,

My deepest sympathy, you all are in my thoughts and prayers. Laurel was a wonderful person. Reflecting on my life, I am grateful for her being my Foster Mother. What a testament to her life that she gave so freely of herself. The love and nurturing that she gave not only her children but her foster children. Laurel also instilled the gift of our Catholic faith, and as my own daughter prepares for her Confirmation, I am so grateful that Laurel made sure that we all prepared to live a life of faith.

Laurel will always have a special place of honor in my heart and in my life.

“ From my earliest memories Aunt Laurel, as I always knew her, was a wonderful and very special person. Her warmth, caring and sense of humor was one of kind. She was always able to bring Everyone together. I know that her spirit will brighten Heaven like it did Earth.

Aunt Lou, Thank you for being such a great friend to my parents Tom and Sharon; you always brought a smile to their faces and hearts.

*Michelle and David,
My thoughts and prayers are with the both of you and your families.*

“ *Mom, you meant the world to everyone that knew you. You are the best mom there is. You are not just my mother-in-law, you are my Mom. Thank you for taking me in to your family. Not only did you take me in, but you also took my Dad and brother. You always invited my family to every gathering we had. Thank you for always making yourself available anytime Ashley and Kayla wanted to play with you. We will make sure to remind them of all the good times [playing vet, doctor and making you up to look like a clown :-)] Zachary will know what a wonderful Grandma he had in you. I know you so excited about us having that little guy. Ashley and Kayla will have to tell him about all the fun they always had with you. Those girls love you so much. Well, all I can say is thank you for all your love that you always shared with all of us. I love you!*

“ To everyone who reads this some of you know how she was, she was a very special person. She loved her family and friends with all her heart and that will always be. She was the best mom and grandmother. She loved and still loves those babies. She called them her sunshines. She is very special. I love her and will think of her every day of my life.##imported-begin##Michele##imported-end##
