“ Hi larry, I hope you are in a better place now. I'm so sad that I found this obituary late, I should've visited you for the last time. I am witnessed how your daughter Liza and granddaughter Olivia really love and care for you! I am one of your caregiver who genuinely love you until your last breath! You are sometimes so annoying but I will miss how you are thankful for me and appreciated me and my job!! It's so hard to see your room without you anymore but I'm happy that you are in the better place now and I hope you are not giving them hard time there buddy! I wanna hug Olivia but I didn't get a chance to see her again, I am witnessed how much you love her and always saying her name all the time. I love you buddy and rest in peace!! Thank you for all the memories!!!❤️❤️❤️❤️❤️
