

## Lawrence V. McDonald

March 28, 1937 - January 16, 2025

Lawrence V. McDonald age 87 of Harsens Island passed away on January 16, 2025. Lawrence was born on March 28, 1937 in Detroit, Michigan to Harold and Josephine (Bernard) McDonald. Beloved husband of the late Karen (Konkel). Loving father of Lisa McDonald and the late Jeffrey McDonald.

Lawrence McDonald was a hard working man. He made his career working for General Motors as a millwright. He would work on a project and his daughter would tell him it isn't going to work because he needed additional help. He would reply "I'm a millwright there is nothing I can't do." He would draw out every project with the dimensions and build it. In addition to being a skilled trade, he was a dedicated UAW local 653 Committeeman. Larry was a quick witted, caring and thoughtful person. He loved playing practical jokes on family and friends. If you place 100 people in a room every one of them would have at least one funny story to share. Larry loved woodworking, restoring his Chris-Craft Lancer Boat, drawing, visiting with family and friends and was an avid gun collector.

Larry's family will be planning a celebration of life service for him in the spring.
