“ Love, love, love, Larry. That happy smiling face would greet me at family reunions whenever I attended. He & Joyce would always take the time to sit and chat and tell me how much they loved my mom & dad. Cathleene Kiel Tokish

“ Larry was a wonderful man. I will always remember his bright smile and positive outlook. I remember when he would greet me at family functions, with his large hands holding mine and a big hug and how special he would make me feel. I can still hear his voice as he called me 'Krissy'. Jeff and I were very blessed to have him give the blessing at our wedding, 12 years ago. I will miss hearing his laugh. Larry was one of a kind and will be missed.

“ The best father-in-law a girl could have! Always helping with cooking, carving, tile work, Christmas lights, helped me clean my deck, was at the hospital when both girls were born, when I ruptured my appendix, did family function prayers, a great friend to my parents. Can't say enough good things about this man who will truly be missed by many.

“Larry is a dear friend from my 35 years of service with Lear Corporation and our Monthly Saturday morning Lear Breakfast Club, where you were sure to find Joyce as well. Larry always had nice things to say about his family, travels and life in general.

One kindness that I will never forget was Larry helping me with my heating bill by custom making indoor storm windows for my home when I was single and trying to make ends meet. I paid him about \$100 which probably covered half of the material he used. Not only did it save me on my bill but it was warm and comfortable in the house.

Another incident was when I broke my back and when I returned to work Larry showed up in my office every morning to be sure I was okay. He made me feel like I was related and part of his family.

At our last Lear Breakfast, Larry and Joyce talked about their experiences moving to the American House and making the decision to give up their home and getting assistance, although costly, with their daily living. Not too long after that, I called the American House for another friend to ask for rates and told them they were highly recommended by Larry and Joyce and management gave rave reviews about the Pfahlert's character and kindness and what a pleasure it was having them join the American House group.

“The greatest legacy one can pass on to one's children and grandchildren is not money or other material things accumulated in one's life, but rather a legacy of character and faith.” - Billy Graham)

Joyce, our prayers are with you and your family at this time. You are left with so many wonderful memories.

Love,
Lucille and Paul Schaffer

“ *Uncle Larry was an inspiration to many. Since Linda and I were away from our Michigan family due to military commitment, it was always special for me when I got to see him. I shall always cherish those moments. Our Lord and Saviour is receiving a special person.*

“ *Mr. Lar was truly such a good man. Best of friends with my parents for many years (they will miss him dearly). Such a good family friend, arranged for our wedding to be held @ Redemption Lutheran Church (we were living in Massachusetts @ the time & didn't have a church here). He also said the prayer @ our reception. So very willing to help others any way he could. Always laughing & in good spirits. We will miss him & will be holding on to the memories made from all of our family gatherings we shared over the years. Love from Shelley & Steve Plee.*

“ *My father in law, or for the last 32 years my father was a true inspirational for our family. He was always ready to help with anything you required. He was a painter, an electrician, a carpenter, a chef, a chaplain, a friend and if you needed him he was ready to help with anything, he will surely be missed by many..i can't believe he is no longer with us.*

“ My Grandpa was one of the most kind-hearted person that I will ever know. Always saw the best in everyone and refused to see the bad. I truly hope to be more like him. I had him for a wonderful 35 years! How lucky am I?! Wish I had more. He always had a smile on his face and a laugh no matter what life through his way. He will be missed and forever in my heart with the dear memories we made

“ Bob Pfahlert, Larry's brother, says "he ran a good race and is in God's hands. I miss him. He is one brother I really miss because we were so close. We went to church together for many years." Love from the Helgeson-Pfahlert family.

“ I could always count on Larry to give the blessing at all of our family functions.He was the ROCK of Redemption Lutheran Church. The candles were always on the pews for Christmas, as well as the beautifully decorated alter and flowers for Easter. He seemed to be everywhere. Always greeting us on Sunday morning, as he ushered us into church.He helped cater Mother & Daughter banquets, Father & Son banquets, anything to do with the culinary aspect, Larry was there. What an amazing man.....We will miss him. God Bless you my friend.... Till we meet again
