“ I was shocked when I heard about Larry’s health issues back in July, but I was very happy he was doing better at the time and the family was able to have a little more time with him. Larry was a strong man, a great dancer and funny too. He always had a smile on his face. We have some great memories with him at my parents Christmas Parties and of course his Parties. I loved watching Pat and Larry on the dance floor. They had some great dance moves. During this tough time I am thinking about all of you and sending prayers your way. 🙏

Love,

Carla Chesney (French)

“ I have had the pleasure of knowing Larry & Pat for some 10+ years! First meeting Larry at a Christmas with friends get together at their home! Showing off his train around the Christmas tree. He was such a fun loving guy and always made you feel welcome! Not to mention what a great drink maker he was! His stories always were a pleasure to listen to with a few jokes added in as well, he always made you laugh with joy! You could always tell how proud he was of his family by the way he spoke about them! May Larry find peace in the Lord's hands and May his angel wings soar him to the heavens! He will be missed, dearly!

“ Larry and Patty came into my life and circle of friends through Patty's sister Chris. I was fortunate to spend so many years of Friday nights dining with them. Larry was full of stories whether about his kids or precious grandkids. His dedication to Patty was evident each and every time he would take a moment from eating dinner to get the KENO numbers before the drawings. Patty, I pray the many memories you have of Larry help you find comfort and peace in the days ahead. He will be missed.
