“ Arthur Cooper lit a candle in memory of Lawrence J. Wyka

“ I am sending my condolences to Mr. Wyka's family and to his extended Wayne County family. I started working at the county when I was 18 and I could not have had a better mentor! He was a great person and boss. I looked forward to sitting on that couch picking his brain about that place! He was the best ever.

“ I am very sorry hearing about this news. Something comforting is knowing from the Bible that there will come a time where we will not have experience hardships such as these. Revelation 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

Jehovah God by means of His Son Jesus Christ will resurrect our loved ones. This promise we can look forward to, to be fulfilled very soon. May everyone please accept my deepest condolences. Again I am truly sorry about hearing this.

“ So fortunate to have gotten to know Larry when I first came to the job. Work ethic? Yup. Gentleman? Certainly. Mentor? Only wish I had more time with him. His example was worth a million words. Dedicated and compassionate. Thanks for all, Larry.

Mr. Wyka, you will be missed. Your laughter, your smile, your ability to listen to others when one needed to vent, your jokes, your craziness that we all loved so much about you. Will miss how you would always respond to my whining when I wanted something ...you'd shake your head till I would finally make you give in with your "WHAT"?...you were special and will always be special to all whose hearts you have touched....have a party now Mr. Wyka...show the Lord and those angels how to party and how to joke...for you were the best at that....thank you for being one of those special people in my 'circle'...love you...hugz

“ Mr. Larry Wyka was the true definition of a Polish gentleman. He genuinely cared about everyone and his love for his family was so inspiring. Larry was that rare person who could strike a balance between being your boss and your friend. He would make work such an enjoyable place but he would also let you know when you did something wrong. He worked so hard serving not only the taxpayers of Wayne County but also the staff. You could count on him to decorate for Christmas and tell jokes and keep the mood light. You could also count on him to help with any questions or problems that came up. He NEVER said no !!! There will never be anyone else like Larry !! We were all so blessed to know him !! May God bless his family !!! Mary Tumidajewicz

“ I will miss him dearly, here at the office (Treasurer's) he would be the first individual I would phone. If it is a taxpayer needing knowledgeable (beyond my knowledge) assistant, he was the first person I would call. Being a Union Stewart at that time we didn't always see eye to eye, but we would come to a truce. He has also been a great help to me on a personal level (my housing issues). One of many beloved human beings that has graced his presence in this world will be a constance reminder to me that their are god fearing/caring human beings in this world. GOD BLESS!!!!!!!
