“ To my Daughter-in-law Leah from Mom # 2. You will always be with me in my heart, besides Edju. He loved you as I do. You know why I love you so much, you loved my son danny and he was so happy with his life with you. You both never complained to me about anything. Children all over loved you, even dogs loved you. You would come to my house and without asking, you would always help me out. You were soft spoken. Each night I pray for you and Edju and all my family. I know what it's like to lose a loved one. My son Danny will never find happiness like he had with you. You were a blessing to our family. He found you a new home where you can rest in peace. I love you like my own and I know I'll always be Mom #2. Rest in peace my dear daughter-in-law.##imported-begin##Dolores Krasnicki##imported-end##

“ Dear Leahann, You are the best sister-in-law a girl could ask for. You have been in our family for so long, I will forever miss you and you will always be in my heart. When you reach those golden gates you will be welcomed by all your loved ones that have passed. Edju will be waiting for you, please hug him and tell him that I kept my promise to him and will forever keep it. He will know exactly what you mean. It's so hard to believe that you are no longer in our presence but you will always be in my heart for as long as I live. Just know that Danny boy loved you more than you could ever imagine. Chris and Candice too and Sammie. We all loved you Leahann and will forever. You suffered for so long and never let anyone feel your pain. I hope you are at peace now and in Gods' hands. You were a very special lady to your whole family. I pray that God gives Danny, Chris and Candice the strength that you always showed us. We will take care of them. I love you my dear sister-in-law. Rest in peace finally. No more pain, no more pills, no more medicine. Watch over all of us and keep us close to you always. I miss you dearly and always will.

Your sister-in-law

“ Dear Leahann,
We've been friends for over 33 years. You and I have had so many good times together even before you married my brother Danny. I remember all the crazy things we did, how much fun we had, memories I will cherish forever!!!! These past three days were the hardest days of my life, besides losing my brother Eddie, now I've lost my dear friend and sister in-law.. I'm so gald that I was there to share your last days here with us. You had Danny, Candace, Chris and Jen and me right by your side, it's hurts sooooo bad but yet it was so peaceful. Leahann I will miss you everyday. You were always a delight to be with!!!! I never once saw you mad at anyone, you always were so sweet. You were a GREAT mother to Chris and Candace and a wonderful wifr to my brother. I know how proud you are of Candace, she took care of you without question these past two years. You taught her well!!!! I could go on for hours talking to you and I will everyday!!!! I will MISS YOU SOOOOO MUCH!!!!!! I love you my dear friend, rest in peace!!! You will be in my heart FOREVER!!!!##imported-begin##Pam ##imported-end##

“ Auntie Leahann, it's not going to be the same without you. I love you & will miss you so much. I remember when I was little, all the Red Wings posters, jerseys & autographs you would give to me, my basement walls were covered in all of it & i still have it. You were always the coolest aunt. You would buy me & Mandy the P-diddy CD's & Jay-Z for Christmas even though you knew our Mom's didn't want us to have it. The advice you gave me on your birthday was the best advice I have ever gotten. You were such a great person & were strong all the way to the end. I can't wait until I can see you again. Tell Uncle Edju I miss him so much. Now you two, can watch over our family together. I love you & will never forget you.

“ Oh Auntie Leahann! This is all just so hard to process. You will be missed so much. We are so glad that you are not suffering anymore but so sad that you will not be here with us any longer. You were such a strong lady even until the very end. Candice is following in your footsteps. I'm sure you know that but you would be so proud of the way she's has taken care of everything. Yesterday everyone got together at Jen and Chris' it was hard because we should have been celebrating the holiday and you should have been there. Jen kept saying she was just waiting for you to walk through the door. Unlce Danny wanted all the kids around him. They played in the pool and ran through the sprinklers. It was exactly how you would want it. Thank goodness for the kids, they are keeping us going. They all loved their Auntie Leahann! The kids always flocked to you. Sammie was blessed to have you here with her for her first year of life. Now you will be her guardian angel. Between my mom, me and Jen we will do our best to help take care of your family here Uncle Danny, Candice, Chris and Sammie. Please watch over all of us down here and give us some of your strength. We love you and will miss you forever!!###imported-begin##Jody##imported-end##
