“ Dear Camille and family,
What a wonderful individual Leo was! A true professional and a sweet, genuinely nice man. Extremely helpful in times of high emotion, Leo instinctively knew what the appropriate word or action was in any given situation. His spirituality was also evident in his manner. I admired him and deeply respected him. I am so sorry to hear that the world has lost him, but he is now in a better place. May he rest in peace!

“ To Leo's family - My sincerest sympathies and condolences to you all. Leo was a very kind and considerate professional and a credit to the vocation of mortuary science. Having grown up in the "business", I can understand much of what he went through and lived with, especially wrapped in the words "service to others". God bless you all and I will keep Leo and you all in my thoughts and prayers.

“ Dear Camille and Family,

Your dad and your brother were always so comforting to the Darga family during our many funerals. I remember when my dad passed in 1962, coming home from school and your dad was at our dining room table. I was only 11 and your dad was there to give comfort and love to my mom, sister and I. As I grew older, your brother and dad were always there to help us in our time of need, not only professionally, but as a true family friend. I am sorry for your loss and will keep all of you in my prayers.

“ My condolences to the Miller family. Leo was truly a servant of God's people in his profession as a funeral director. I got to know him working for the Warner Funeral Service out of Hamtramck and as a member of St. Florian Church. I will remember in my prayers.

“ Leo J. Miller was a Great Man of Great Faith. May he be Resting-in-Peace.

I met Mr. Miller growing up in Hamtramck as I was an Altar Boy for many funerals at Saint Florian. He was a meticulous Professional and served his community so well. Job Well Done!

I was fortunate over the past few decades to run into Mr. Miller either at Antonios Italian Restaurant in Sterling Heights or just last year at Christ Our Light Catholic Church in Troy.

“ *Uncle Leo will always be my favorite. I grew up in the funeral home because of him. I remember every Sunday my parents would take us to see Uncle Leo and my great grandparents at the funeral home but that was our life and after that I will remember him as such an amazing lovable and caring man. He had so much to give and now he is at peace! He lived the life anyone could ever dream! I love you!*
