“ *To my grandpaw who showed me what it means to be strong, courteous, generous, humorous, and hardworking. He was always my #1 fan and completely supported my future aspirations, motivating me to never give up. He also showed me that even as we age, we are never too old to live fully in the present with a heart of child. That instead of being serious all the time, to not be afraid to have fun and to laugh. Not only was he my hero, but he was a hero to others who were fortunate to meet him, and a hero to America as he served our country. Grandpaw, you will be dearly missed and will always be my best friend and even though you are gone, I know you are on the front bleachers cheering me on. I am glad you are again reunited with your first love and I will someday see you again.*

“ *I am Leon's sister's daughter, his niece. My name is Julie, he called me Ja jitzi. I have a brother, Robert and a sister, Kathy. When I was a young, my father dropped the ball and my Uncle Lee picked it up and ran. He never stopped helping my family the rest of his days. Leon's generosity was perpetual. He had a huge impact on my life. The gratitude, love and fond memories will live in my heart always. He was a great man.*
