“ *Leona was one of the first women I met working at the pantry  
several years ago. She took me under her wing and taught me what  
I needed to know. She was always very kind to me and made me  
feel very welcome. I will miss her kind soul and her beautiful smile.  
May you Rest In Peace Leona, as you are with our Heavenly Father  
now. Until we meet again.*

“ *We were neighbors for 16 years. She had such a love for nature,  
flowers and plants. I would always ask her for gardening advice. I  
miss our long talks in the front yard. I still have the nice framed  
prayer she gave me when I moved. She was very caring and  
thoughtful and will be missed.*
