“ *Lenord and Diane lived next door to my parents in the seventies on Edmunton in SCS.*

I still remember Len's outgoing and friendly personality and his utmost respect he gave to my parents (fellow Italians) The twins were very very young when they lived there and we were all sad when they moved.

We will keep you in our prayers during this difficult time.

“ *The J C Cornillie Co loved Leonard Brillati.*

What a great guy and a nice Little Mack business neighbor. He was a mans man and we shared many memorable times together. He joins brother Hank in a better place and I'm sure they they will have a good time together.

“ *Diane & Family:*

We are so sorry that we are out of town and can't be at Leonard's funeral services to let you know how much he meant to all of us. He truly was a very special, caring, person with a huge heart and a big smile. He had a burning desire to make Austin Catholic Academy a reality, and we are fortunate to have worked with him along the way and most important, to have called him a true friend. Please know that our thoughts and prayers are with you.
