“ I have great memories and cherish the vacation times with Uncle Lenny and Aunt Esther inviting me to go up north to Newberry with their family. We all enjoyed being together and had so much fun! I remember so many Sundays that Uncle Lenny, Aunt Esther and Danny would drive over to Grandma Koss's house for a visit. I always looked forward to seeing them and being together - whether it was to talk or for Uncle Lenny to take us out for a Sunday drive... it made that day special. I really am blessed to have been part of such great times.

*Our prayer is for the Lord to overwhelm all of you with comfort and give you peace during this time.*

*Love to all you,  
Don and Shelly*

“ I'll always remember the many times that Uncle Leonard visited my Dad (his brother) and got into heated political discussions. It was so funny. No matter what took place, they always parted as friends. Uncle was a great man - part of the Greatest Generation. They don't make them like Dad and Uncle Leonard anymore, and the world is much worse off because of it. They were salt of the earth. I shall miss him. Rest in peace Uncle Leonard, and God bless you.
