“ *My dear Uncle Len. What can you say about such a wonderful uncle. He was always smiling and always willing to help you when needed. He built a beautiful vanity in our bathroom for us when we first moved into our first new home. When we remodeled our bathroom we still kept our vanity that he built and still have it to this day. He was a great and kind person. He showed me many how-to-do things when I was a kid that I take with me everyday. I especially remember when he helped me take a large bee hive out from under my Mom & Dad's house. Well, he actually took it out as I watched from a distance. I will never forget that. We will really miss you, Uncle Len. Rest in peace with your twin sister, Virginia.*

“ I am thankful for all the memories I have with grandpa. Learning how to cut grass with the old riding lawnmower, spending nights at his house and getting Wendys, eating the apple peels as he cut them off the giant red apples at the table, and going on all the vacations together. My heart is sad, as he will be missed.

Love,
Karen

“ We are going to miss Uncle Lenny with his kind and gentle ways. An artist he certainly was. He was one of 12 children that had a variety of personalities. His twin sister and him were the one of a kind siblings, both kind, gentle and quiet. He will be in peace with siblings who have previously passed. May God bless you Uncle Lenny with eternal life.
