“ Please accept my deepest condolences for the passing of your father. It's Feb 2026 and I just found out he passed. I would have paid my respects. I just talked to him last summer and we had a very nice conversation. He sounded very chipper. I will miss him.

“ I only knew Leonard a short time. However, he enriched my life with his power of love, dedication, and joy in everyday moments. I cherish the memories I have of Leonard and those memories will not be forgotten as my heart is filled with gratitude. I might add he was probably the best pinochle player that I have ever known. 🙏
