“ Dear family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Leopold Florek. From personal experience I know that the death of a love one causes many different emotions which are somewhat unpredictable. Let me tell you my favorite Bible text. Maybe some of these scriptures will also help you. “Blessed be. . . the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation.”—2 Corinthians 1:3, 4. (John 5:21, 28, 29) Yes, Jesus Christ promised that millions now dead will live again on this earth and have the prospect of remaining on it forever under peaceful, paradisaic conditions.

“ Karen, Cheryl, Carole, Robert, Joel and all of the kids...I love you. My prayers are with you all. I will miss my dear Leo, he always made me laugh and shared his wisdom. He loved his family so much and was a proud father and grandfather. Leo was a caring soul, and a true original... and he will always hold a special place in my heart. His life was a blessing to me.

Love,
Carla

“ Dear Mrs. Florek, Karen, Bob, Cheryl, Joel and kids,

My heart goes out to you. Mr. Florek was one of the nicest, sweetest people I have ever met. I haven't seen him in a long time but I do remember that he was very nice, friendly and yes, always smiling. I've known Cheryl since high school and she would tease her dad about his accent (but never in a mean way). He was very good-natured about it and thought it was very funny. I remember he once took Cheryl and I out to lunch at the old Flying Machine restaurant in Harper Woods. I think he knew a lot of people there and said hello to almost everyone.

Keeping you all in our thoughts and prayers.

Love,
Mia Apostol-Largeteau and family

“ When we went to a restaurant, Leo always smiled and waved at the children. They loved when he did this. He also had change jingling in his pocket to give to them. We had fun talking to the children and their parents. One of his favorite restaurants was "Big Boys," and Leo would often say to me, "Want to go to Biggie Boys" (his special name for it). Coffee was put on the table we sat at immediately because Leo said to keep the coffee coming because Joyce and I are "coffeholics." The manager and all the help loved Leo and Carole and looked forward to their visits.

Leo always smiled and laughed when I was going on a trip. He liked to tease me and say "good riddance" and I would reply, " I know you can't wait for me to come back because you will miss seeing me."

He insisted on taking me to my doctor appointments no matter how far it was and how long he had to wait for me. Leo never complained when he took Carole and I to the malls to shop and had to pick us up too. He was my helper and what a blessing that was for me.

Dear brothler, you will be sorely missed my me and all who have loved you.

Your loving sister, Joyce

“ We will miss you Leo...you were definitely a ray of sunshine....always made us laugh, your sense of humor was genuine even if it did embarrass Carol now and then...we loved it and it made us smile. You were a wonderful man and what I can tell and great husband, father, grandfather, I have never heard a bad thing said about you.

Sincerely,
Marsha & Mike

“ You can't help but smile when you think of Uncle Leo. He had such a genuine happiness about him that you were drawn to him. We will never forget how he would say; Connor is my number 1 Boy-o, Ryan is my number 2 Boy-o, Adam is my number 3 Boy-o, Jacob is my number 4 boy-o, and Nathan is my number 5 Boy-o! We will all miss him dearly.

“ Mrs. Florek, Karen, and Cheryl (and families), You all are in my thoughts and prayers during this time. I know his passing has left a huge hole in your hearts, but memories of him will be with you all forever. He is definitely one of God's special Angels now...watching over each and every one of you everyday, and he will have the best seat in the house for all the events to come in which he will not be physically present. My prayers are with you all for strength and healing as you will definitely be missing him!
