“ *To Lesley's family and friends,
I am so very sorry to hear of Lesley's passing. I worked with her at Allstate, she was the attorney that reviewed the advertising I helped develop. Lesley was a special person. She was a team player, smart, funny, energetic, passionate, kind and an all around wonderful person. Michigan State lost one of it's best. My most sincere condolences.*

“ Deepest sympathy goes to the family and friends. I've only knew her for a small amount of time but she was very kind and warm hearted towards me. We shared some funny moments a few years ago while i was visiting her in chicago and saw her often when she did come back to Michigan for visits. Keep the memories alive and keep her legacy forever in our hearts!

“ To the family and friends of Lesley, I wanted to tell you how sorry I am to hear of Lesley's passing. I worked with Lesley at Allstate, where she served as a mentor. But what I remember most about Lesley was her deep understanding of pop culture and celebrity news. Her explanation for the Tom Cruise-Katie Holmes marriage was a thing of beauty and makes me smile even now. She will be missed by many.

“ I was so saddened to hear of Lesley's untimely passing. She and I worked together on NAWL's General Counsel Institute for several years. Lesley was always extremely helpful and professional, always able to give excellent advice and assistance. She will be and already is sorely missed by all of her NAWL sisters. May she rest in peace, and may her family be comforted by the thoughts and tributes of her many friends and colleagues.

“ I met Lesley through my mom who worked with her both at Allstate and at NAWL. She was so warm and friendly; she never made me feel like a little kid and was quick to share a smile and a laugh. I cannot imagine the immense sadness that this tragedy has brought to her family and friends. My prayers go out to you as we all remember what a light Lesley brought to so many lives.

“ I knew Lesley when we were in Plumbrook Elementary School. I was a couple of grades older but we had a mutual friend, Kelly Seal. I remember how much fun we always had at Kelly's birthday parties. Lesley was a good friend. I am so sorry for your loss. You're in my thoughts and prayers.

Stephanie Malick Lawrence - January 06, 2014 at 01:08 PM

“ I had the great pleasure of working with Lesley at Allstate, and once I left Allstate, with NAWL. I loved Lesley as a dear friend and admired and respected her so much as a colleague. She helped me greatly over the years and always, always made me laugh. She contributed so much to so many, and had such wonderful things ahead of her. I'm so sorry that she was taken much too soon. My heart and prayers go out to her family and friends.

“ We met Lesley several years ago when she came to our home on Glen Lake with our daughter(Kristin) and her friends from MSU. Those kids had more fun doing "kid things" like playing board games, singing, playing in the water and climbing the Sleeping Bear Sand Dunes. We've been Mom and Dad Freeman for a while. We have many memories of Lesley. Our hearts go out to all of her family. You are in our thoughts and prayers.

“ My deepest, heartfelt condolences to Leslie's family for their tragic loss. I came to know Leslie working on the planning committee for the General Counsel Institute for the National Association of Women Lawyers. She was a tremendous contributor and inspirational leader. Most importantly, Leslie's warmth, generosity of spirit in helping others and her beaming aura touched and embraced us all. I believe that a good life is measured by how much love one generates and the void one leaves behind. Leslie surely had a good life that was taken too soon.

“ I met Lesley a little over a year ago, but I felt like we had known each other for years. Her smile and enthusiasm were catching. She made me feel welcome in a new environment effortlessly. We spoke of her move to New York and how excited she was by all the new possibilities. I was looking forward to drinks at her new apartment and working with her as a leader of the General Counsel Institute 10 for the National Association of Women Lawyers. Her loss is a tragedy. She will be missed by many. My deepest condolences go to her family and friends. They raised and helped shape an incredible human being.

“ I am so sorry to hear of Lesley's passing. I became friends with her on Facebook about a year ago after not seeing or hearing from her in years. I used to live down the street from the Weber's and I used to babysit for Lesley and her brother Nicholas when they were little. It is a big shock for me to hear of this news. Mr. & Mrs. Weber, Nick and family my sincerest condolences go out to you and your family and this time. It looked like on Facebook she was full of life and was doing very well for herself. Rest in Peace Lesley.

“ Dear family, I am sorry about the loss of your loved one Lesley Rae Weber, and I want to extent my deepest sympathy. After the death of a loved one we sometimes wonder what will become of me now that they're gone. I have found comfort in Matthew 6:25-34, which tells us never, be anxious about the next day, for the next day will have its own anxieties. Please find comfort in these additional bible scriptures Luke 23:43 and John 5:28, 29. Visit www.jw.org.
