“ Dear Family, My condolences to you all. I worked with Lido in the early 90's at GM's Gear and Axle. He was my supervisor and friend. He was a remarkable boss, and always had a witty remark for every occasion. After I retired, I looked him up on the internet and visited him in April of 2023. We rekindled our friendship as if no time had past. I will remember him forever. Craig Anglin.

“ I remember growing up with Michael, Michelle and Chuck, having Lido as a father figure. Our families enjoyed so many special times together. I always remembered going fishing on the boat or at Port Huron. You will always be in my heart Lido.

“ Thank you Lido,for being a parental role model for me as a young teenager that continued into my adult life too. You have instilled life long lessons, advice, support and encouragement in me that I will never forget. You have listened to me talk about life struggles and never judged me for my feelings or decisions. You always had a way of allowing your home to feel like my home. Even as an adult, coming to visit you and Nancy with my own kids was always like coming home to me. Even though these past few months were difficult, you continued to be a pillar of strength for me. I appreciate all of our coffee conversations we had and watching the game shows with the volume at 87! I know you will forever be at peace with Nancy 💙 Love ya Lido 💙

“Dad...thank you for giving me the honor and trusting me to care for you in your final weeks. I have some special memories of these weeks...Game Show Network, Steve Harvey and some deep conversations. Although you are leaving a huge void in my life I am at peace knowing you are with mom and no longer suffering. You did it your way to the very end! I love you so much!
