Very sorry to hear of the loss of "Baldy" for those of you who knew her I'm sure she will be missed. My name is Bobbie Jo, I am a great niece of Lillian. Do to reasons unknown to me, I didn't know I had a great aunt still alive until two weeks before her passing. I would love to hear stories of her if anyone is willing to share. After some research on [ancestry.com](http://ancestry.com) I learned my great grandmother had other brothers and sister. A very large part of my history went with my Aunt Lillian. To my Aunt Lillian, you will always be in my thoughts and in my heart, we will meet some day, the spirits will guide us till the end of time. When the wind blows, when the trees whisper and the birds sing all of you before me are strength within me. I have never met you but your spirit is with me.
