“ *I would like to extend my sincere condolences to the family. We can appreciate the fact that to lose a loved one in death makes us feel helpless and empty. Although "Lillian" lived a long life, death is still an enemy. But our Heavenly Father promised that "He will actually swallow up death forever (Isaiah 25:8)and that he will resurrect those who have fallen asleep in death on a paradise earth (John 5:28&29;Psalms 37:11&29) May these scriptures that tell of this precious hope and the love and support of family and friends bring you a measure of comfort at this most difficult time.##imported-begin##Lynda Harris##imported-end##*
