“ I will always hold dear the memories that I have of Lillian. She was very special to my parents, my aunts, my cousins, and all of my Grandpa Fred's extended family. Grandpa Fred loved her dearly. Though I didn't get to see her as much as I would've liked over the past several years, I believe she knew that my family's thoughts & prayers were with her. There is nothing like the love of a grandparent and I pray that she will rest in eternal peace. She was everything that a Grandma should be, and I'm fortunate to have been a small part of her life.

With loving thoughts, her grandson Keith

P.S. - Her great granddaughters will say a sweet prayer for her tonight as well.##imported-begin##Keith Clements##imported-end##

“ Sandra, My prayers are with you and your family. My memories go back to Flanders where your Mother was always so kind and hospitable. I loved when she asked me to stay for super. I see her in the kitchen with her pretty apron on. Add my memories to this day as you honor her long and good life. With love and comfort,

“ Sharron, so sorry to learn about the loss of your precious mother. Having lost my own dear mother just two years ago, I understand the emptiness that comes with this type of loss. You are in my thoughts and prayers. Em###imported-begin##Emma Nunnally###imported-end##
