“ A memory I also have of Aunt Linda was when we were at the farm and she would be out tending to the fire pit. She always loved to get the fire going. You could always find her there when it was fire pit time 😊

“*Jennifer and I have always and will always remember you bringing us bags of candy whenever you would come over. (Chicklet gum, Werther's candy, Wrigley 5 pack gum, just to name a few) Uncle Gary would see you giving us the bags and he would tell you to stop doing that, because we were to old for that...lol! You would always say "I don't care." It's small, but it's a memory Jennifer and I will always share and have of you. I love you Aunt Linda and will miss you 🥺.*

*Love,  
Chad Schuler*
