“ Linda and I have been friends since we were neighbors in Jamaica Street since 1972. Rachel was six months old and then when Mikey was born my husband and I watched Rachel for two days. I last talked to Linda just before Christmas last year and she and Rachel and I were going to get together this summer she was an amazing person who took care of her brother Peter for over forty years and her husband Mike forever. She was truly one of the best people on this earth. I feel like I have a hole in my heart and I am praying for her and her family.
