“ There are absolutely no words for such a devastating loss! I am so sorry for the loss of the living presence of your absolutely beautiful daughter!! I say the living presence because through your love for her and through the love of Jesus Christ you will never loose her she will always and forever be your beautiful daughter! The overwhelming loss of a child is beyond anything imaginable! I know this because I live it...but only through Jesus Christ we can keep walking! Your Linda is without a doubt in the glory of heaven! And only through Jesus Christ will we be reunited again and the glory of that will be sweeter than anything we can ever have here on earth! May GOD GIVE YOU STRENGTH EACH DAY AND MAY LINDA LIVE IN ETERNAL GLORY OF HEAVEN 🙏...

“ I still can't believe your gone... I couldn't help but stair at you today... you still looked more beautiful then ever.i cried so much cuz all I could think of was the amazing memories and adventures we made in the short amount of period that we became friends. I never had a friend like you... You were my best friend, my sister. We did everything together. Not a day went by that we didn't see/talk to eachother. You loved my kids as if they were your own and I kno they loved you just as much. As they get older I'll always tell them stories about you. And they'll love just as much as I do. You always lit up the room with your beautiful smile and your spur of energy. I loved everything about you. We clicked right away. We shared secrets and tears and laughters together. You hold a very special place in my heart I always told you that. And it's true you may be gone now but I still hold a part of you. I love you my darling my you Rest In Peace. Please watch over our family. Until we meet again my beautiful angel until we meet again ....❤️

“ You were a vision of beauty, a pure soul of kindness, a daughter, a sister, a cousin, a niece, and a granddaughter. Linda, this has been so hard for all of us. I still don't understand why, but I know one thing for sure; you are in a place so beautiful and so peaceful. Most importantly, you are with God, you are with my sister, Sara, with our uncle Agostini, and our cousin, Georgie. I look through old pictures, so many of which you are in, and so many of which I will cherish forever. Next to my sister Sara, my uncle Agostini, and my cousin Georgie, I have another guardian angel watching over me and I will always keep that in my heart. Your smile, your hugs, your laugh, your soul will never be forgotten. Linda, my sweet cousin, you will still in my heart forever and ever. I love you.

“ *Our hearts break for this life that was taken so fast,  
truly we will never forget the beautiful memories that have past,  
every word, hug, and smile you gave,  
will forever be with us; forever to save.*

*Linda, our angels await you as your soul departs,  
Agostini, Georgie, and Sara welcome you with open hearts.  
May you rest altogether in the peace of our Lord, dear,  
in our hearts and prayers you will always be here.*

*For your loving family, whom with us did cry,  
when our own angel found a new home in the sky,  
we open our hearts to all of you at this time of grief and despair,  
for all of you, know we will always be there.*

*Beautiful angel, your eyes still had so much of the world to see,  
but now you are in a place of peace and pure glee.  
May you rest in this place and watch over us from above,  
We will remember you always and forever with plenty of love.*

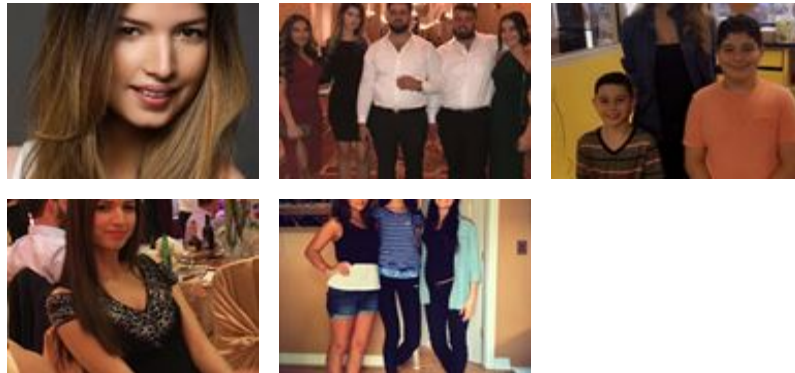

*Written with love from your cousin,

“ Deeply saddened about the news we heard, Linda you were a sister to me, a daughter to my parents and you were a part of our entire FAMILY. We all loved you. Our memories together will never fade. Going through our pictures together, I'm in shock. May the lord bless and comfort the Lulaj family & friends during this difficult time of grief, and give them strength needed to get through this difficult time. Linda will remain in our hearts forever. We love you and we miss you, RIP Sister
