“ *My Aunt Linda was my Godmother. I loved her personality so much! We spent a lot of very meaningful time together. Over one summer, we went to Niagara Falls through Canada and camped. It was such a great time. I remember her wedding on Peelee Island, she was so happy. She always made me feel loved and special. I learned so much from her. She was so smart and organized. I admired her in so many ways, and feel lucky to have had her in my life as an influence. She will be so very deeply missed. <3*
