“ I met this beautiful woman 7 years ago going on walks with a young lady. She was always so nice to us, loved watching her ride her bike with 1 of her pups named cody. We spoke with a family member last Thursday who told us she was in ill and we prayed. I'm so very sorry. We will for sure miss her and Toby on our walks. We walked by yesterday and saw the flag at half staff, we stopped and said a prayer. She will be truly missed

“ My heart goes out to Linda's family. Prayers and hugs to all of you! 🙏🙏🙏❤️❤️❤️ I met your mom last year in Florida and we instantly hit it off! She loved all of you and talked alot about her family. I am missing her already...who will take her place as my shopping buddy!? I lost a husband to the same cancer your mom had. So I can sympathize what she and all of you went through. Take care and all those good memories will carry you through the pain of grief! ❤️

“ My wife & I will always remember Linda as one of the kindest individuals we have ever known, and a better neighbor we will never have.

Even when she wasn't feeling well she would find a way to finish making cookies that she had committed to baking for someone, or take the time to buy a gift for our new grand daughter that was born in September. This is who Linda was.

Whether it was family or friends Linda had a quiet way of putting others before herself.

We will miss your Holiday cookies, fudge, and rum cake, but mostly we will miss your smile and friendship. Our little corner of the neighborhood will never be the same.

*Rest in peace friend.
