I was fortunate to have Linda as my 1st cousin. I spent so much time at their home in Calif. We had so many wonderful times. I was very close to her, and already and already miss her so much. Fly with the angels Linda, and hug the family for me. Sincere condolences to her family. Always and forever, Peggy (Grover), she called me that.

“ Linda was a beautiful soul who would drop everything she was doing in order to help someone else who was having a problem. I had the honor of knowing her while working for Civil Engineering at Selfridge ANGB. She will always be remembered as one of the good ones! I'm sure God definitely has a place for her.
