“ To the Family of Ms. McPhillips,

May I offer my sincere condolences on the death of your loved one, Linda. It's difficult, most times, to find words to comfort someone who has lost a dear loved one. Inside our hearts hurt too. I've found great comfort from reading Jesus' words at John 5:28,29, where he promises to resurrect those who have died. Also, Revelation 21:4 where our Loving Heavenly Father has promised that soon death will be no more. In fact, anything causing us mourning, outcry, tears or pain will done away with. May your hearts find peace and comfort in the days ahead knowing that our Loving God will truly keep his word to us and all that he has promised will come true. (Titus 1:2). My deepest sympathy to you.##imported-begin##Mrs Butts##imported-end##
